

From Treaty of Westphalia toWorld war II

Treaty of Westphalia was one of the most important to origin of Sovereign it was started on 1618-1648 Westphalia is an agreement. 30 years of war's end brought the agreement that is called Treaty of Westphalia. War between Roman Catholic & Protestant.

Roman Catholic was ruled under the Pope they were the dominant. The whole Christianity was ruled by Pope. This was a Religion Based war.

Monark System was failed Sovereign was
Came.

the New order came that no. one should
rule the country in the Bases of
Religion this the moto of Treaty of
Westphalia.

UK, England, France, German, Spain
Got Independence

Sovereign was born by overcoming
Religion. People's who like to rule the
country should vote the people &
become the king of the country.

That was the Initial stage of Disarmament

then there was the new conflict begin

"Who is the Superpower nation of
Europe continent"

* also the Initial Stage of UNO.

Relation between Ist world war & disarmament.

* 19th Century world war I - lots of countries lost & attacked.

* "Nationalism" - I love my country at the beginning this was a common word later this becomes the beginning stage for world war II.

* Weapons & Technologies are Increased so this becomes against Disarmament.

* Each country's should have only minimum weapons but that was not followed.

* Treaty of Westphalia became the Initial Stage for League of Nation.

Agreement :-

- * Strategic Arms Limitation Treaty - Land Based [1972]
- * ARM Treaty - Limits the development of missile system two sites each country (1972)
- * Threshold Test Ban Treaty - Limits US & USSR underground test (1974)
- * Southern Pacific Nuclear Free Zone - Prohibit the manufacturing Nuclear (1985)
- * Missile technology Regime - Limits the transfer of Missiles (1987)
- * Conventional armed force - Limits of artillery, combat, aircraft (1990)
