1 Define advertising Media

An advertising media is a means or vehicle of delivering a definite message. It is means through which an advertising message or information is passed on to the prospective customers, readers, viewers, listeners or passers by. For instance, a producer seeks through advertisement media to keep in touch with old customers as well as to contact new customers. Media are subject to intensive buying and selling activity.

2 Define press media

Press advertising is the most popular and effective method of publicity today. It is the oldest and largest in terms of advertising billing. It has become the part of the culture and political life of people today. Press, also referred to as print, is an advertising media comprising all those vehicles owned by others and which

can carry the advertising message in print to be read by target customers in India this media is very commonly used by companies on account for nearly 70% of their total expenditure on advertising media

3) define outdoor

Outdoor or mutual advertising is the oldest form of advertising. The use of signs in advertising dates back to the days of ancient Roma and Greece. During that era, signs were used to mark location of mercantile establishments. Traders in those days used signs outside their buildings and also along the routes as a means of mass communication. It is also called "wall advertising".

4). define direct mail advertising

Direct mail advertising as the name indicates is direct in this approach and hence referred to as 'direct advertising'. According to J.W.W. Carson,¹⁴ direct mail advertising is using the letter box to tell

right way:

8) Write a short note on broadcast advertising

Meaning:

Commercial television advertising was introduced in India on Jan 1 1976 on the pattern of all India radio. Thus, as an advertising media, television is of recent origin in India. Television makes full use sight, sound and motion and thereby maximum impact on audience. On colour TVs, now colour TVs may also be used to add to the impact. The coverage of television is increasing at a rapid pace in India.

Advantages or merits:

1). It makes the message more attractive and impressive.

2). It is more advantages to those advertisers whose product and service

negative demonstration.

- 2) It makes the source of major income to doordarshan.
- 3) It possesses geographical selectivity.
- 4) It has a wide coverage. At present television services are available to more than 80% of India's population.
- 5) It is very expensive advertising media and would certainly exclude the small advertiser.
- 2) Television message is short lived.
- 3) The range within which it telecasts reaches the audience is very limited.
- 4) In case of India, an average Indian cannot afford television as it is quite costly.
- 5) Television advertisement are very short due to high cost of advertising on television.

3) What are advantages and disadvantages of outdoor advertising.

Advantages

- 1) It has a wide coverage.
- 2) It is capable of gaining more attention of the public.
- 3) Outdoor advertising is more useful for local dealers.
- 4) In big cities and high traffic areas.
- 5) Outdoor advertising is more flexible.
- 6) It can be easily remembered.
- 7) It is quite economical.
- 8) It has comparatively long life.

disadvantages

- 1) The message written under this type of advertising is too brief.
- 2) The exact effect created on prospects is difficult to measure.
- 3) The outdoor advertising is quite costlier in terms of investment.

4) The outdoor advertising is said to be only the remaining activity

5) The language used in writing on the wall advertising is usually defective and sometimes immoral.

4) List out advantages and disadvantages of mail advertising

Advantages

1) selectivity

It is selective if a product is meant for a certain class of consumers. All the consumers need not be contacted and thus only a few can be approached.

2) Economical

It is economical in the sense that it saves enormous amount spent in press and other media of advertising.

3) Flexibility

It is quite flexible in terms

of the materials to be used and
the process of production

4) Secrecy

Complete secrecy can be maintained in this type of advertising media

5) Detailed information

There is scope for giving detailed information duly supported by pictures and photographs whenever necessary

Disadvantages:

1) Limited approach:

Though it is able to reach only a limited number of customers

2) Preparation of mailing list is difficult.

The preparation of mailing list is a cumbersome job as it requires continual change as the names or addresses of certain customers have to be deleted from the list on account of their death or change of address or getting no response

from them, and additions are to be made for new and potential customers

3) chances of fraud:

Under the direct mail advertising there are chances of fraud on the part of the advertiser. That is why in India it has almost caused his prestige to suffer loss

4) suitable for certain commodities only:

Direct mail advertising media cannot be used for all types of commodities. It is suited for those commodities where the market is limited and appeal is to be made to a certain class of people only. It is unsuitable for selling mass market products

5) costly:

It is quite costly in the sense that lot of expenditure is to be incurred on mail. Further

of purchase in order to make a last bid to persuade him to go for the advertised goods.

List out the various types of outdoor advertising.

Posters

Advertising board

Vehicle advertising

Electric displays and signs

Neon signs.

Sky advertising

Sandwichmen

stickers

puppet shows.

Posters

This is the most common and popular form of outdoor advertising.

These are exhibited on a hoarding or on walls, roofs, fences, chimneys etc.

Humour can also be used with advantages in poster advertising.

Advertising Board

There are also posters which are kept at certain fixed places especially at points where people frequently assemble such as bus stops, railways, crossing etc.

Vehicle Advertising

It refers to moving advertisement. It consists to placing posters on playcards inside or outside vehicles such as trams, buses, lorries, delivery vans, railway etc.

Electric displays and signs

Signs illuminated by electricity are today so to be seen in large number in cities. This is the most modern and the most attractive form of outdoor display.

Neon signs

These are brilliantly coloured tubes available in various shades. These can be of the still or the

flashing type

Sky advertising

Sky advertising is another modern form of outdoor advertising in this form of advertising media an aeroplane writes the name of the product or the producer in the sky it is also known as 'smoke writing' because the message is written in the sky by means of smoke

sandwichmen

They are hired persons and properly dressed who walk in the streets in a procession with boards, posters and notices placed about them. The idea is to attract the attention of the public.

stickers

It is also an important form of outdoor advertising. In this case the advertiser enters in a contract with the popular players that whatever they will wear or use during the

match will tear the sticker of the
advertiser

(FREE)

Dollie show

This is purely an Indian outdoor advertising media which provided entertainment while conveying a message. He accepts the family planning advice and so becomes the innovator in his village.
